

Dynamic Tool & Machine specializes in CNC Machining a wide variety of Precision Products, Components and Assemblies. We can support quantity requirements anywhere from one-off up to thousands of parts. We maintain the highest quality standards and always stand behind our work.

## CNC Milling

### ***Okuma Genos M560 W/ 32 Tool Magazine & Probing***

Travels X-41, Y-22, Z-18

### ***Okuma Genos M460 W/32 Tool Magazine & Probing & 4th Axis***

Travels X-30, Y-18, Z-18

### ***Okuma Genos M460 W/32 Tool Magazine & Probing***

Travels X-30, Y-18, Z-18

### ***PROTO TRAK Bed Mill DPM RX5***

Travels X-40, Y-20, Z-25

### ***PROTO TRAK Knee Mill TRAK-K3 SMX***

Travels X-32, Y-16, Z-20

### ***Bridgeport EZ TRAK***

Travels X-30, Y-12, Z-20

## CNC Turning

### ***Okuma L3000-M-e 10X20 CNC Turning Center***

### ***Mazak Primos 8X20 CNC Turning Center***

### ***Ganesh 2050 W/Fagor 8055i TC CNC***

### ***Webb 21X40 Engine Lathe***

### ***Hardinge HLV-H Toolroom lathe***

### ***Cadillac 1440 Engine Lathe***

## Saws, Grinding & Heat Treating

### ***Chevalier FSG-3A1224 Hydraulic Surface Grinder***

### ***Okamoto Surface Grinder 8 x 18***

### ***Amada Automatic Horizontal Band Saw HFA250W***

### ***Grob Vertical Band Saw 4V-24***

### ***Cress Dual Heat Treat Ovens Chamber Size 8 x 12 x 20***

## Inspection

### ***Keyence IM-7030 Instant Measurement System***

### ***Keyence XM-1200 Handheld Probe Measurement System***

### ***Trimos V9 Height Gage***

DTM has a fully Equipped Inspection Department including bore gages, mics, pins, surface plate, Indicators etc.

## CAD/CAM

### ***Feature Cam & Fusion 360***

**We combine old school craftsmanship with new school machining methods and techniques.**
